

6600 MODEL

CARRIAGE HOUSE STEEL

An insulated steel door available
in a variety of sophisticated
Carriage House designs.

Front image: Springfield Panel, Taupe finish, Arched Stockton window

unique. durable. stylish

the envy of the neighborhood.

Made with two layers of steel, polyurethane foam insulation and DecaTrim™ II overlays, the Model 6600 is not only durable, but a unique way to add style and curb appeal to your home.

Brunswick Square Top Panel, Almond finish

performance features

Insulation

Model 6600 comes with foamed-in-place polyurethane insulation with an R-value of 12.12*, which can improve your home's thermal efficiency, reduce street noise and make the door operate more quietly.

Durable DecaTrim™ II Overlays

These smooth overlay boards are specially treated to resist termites, weather and fungal decay.

Effective Joint Seals

Snug-fitting tongue-and-groove section joints reduces wind and weather from entering the garage.

Heavy Duty Hinges

Attractive 14 gauge heavy duty hinges provide maximum strength between sections, stability and smoother door operation.

Quiet Rollers

Ball-bearing rollers with nylon wheels and solid steel shafts provide years of smooth, quiet and dependable service.

Windsafe™

Available with optional hardware and reinforcement for high-wind regions.

Model 6600 offers a limited lifetime warranty on the steel skin. Two year warranty against delamination on factory attached overlay material. Warranties vary by model, and are available upon request. See full text of warranty for details.

*Wayne Dalton uses a calculated door section R-value for our insulated doors.

1

choose your style:

All door top sections are available in arched or square designs. Visit our website at www.wayne-dalton.com to see all design options.

Double car door designs are equivalent to 2 single-car doors side by side.

Arlington (Square)

Ashburn (Arched)

Brunswick (Arched)

Lexington (Square)

Richmond (Square)

Savannah (Arched)

Somerset (Arched)

Springfield (Square)

2

choose your color:

DecaTrim™ II overlays are provided in White only. For a two-toned look, select one of the colors below for the door section.

White

Taupe

Almond

Brown

Actual colors may vary slightly from brochure photos due to the printing process.

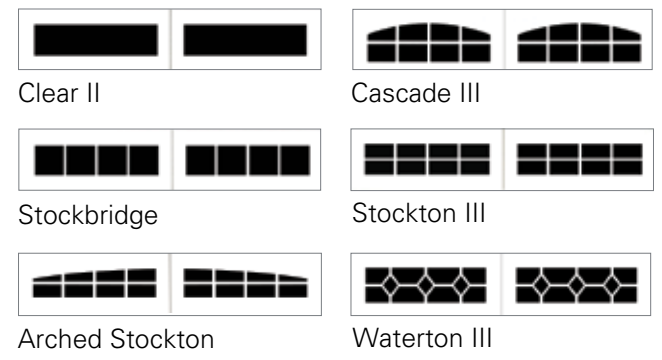

3

choose your windows:

Window patterns are shown for a typical single-car door. Spacing of windows may change depending on door size. Not all windows are available in all door sizes.

Standard

The following standard window options feature a smooth DecaTrim™ II overlay board to match the door's design.

Clear II

Cascade III

Stockbridge

Stockton III

Arched Stockton

Waterton III

Optional (for cold environments)

For northern regions with extreme cold environments, the following upgraded windows are strongly recommended.

These windows include two plastic frames that provide an extra seal to protect the door section from harsh weather conditions. Optional 1/2" insulated glass is also available.

Clear II

Cascade III

Stockbridge

Stockton III

Arched Stockton

Waterton III

4

choose your hardware:

Two Spear pull handles and one bottom lift handle are standard. Additional hardware options are available. Visit our website at www.wayne-dalton.com
