

New myQ Smart Garage®  
Video Keypad

# Eyes on your real front door

The myQ Smart Garage Video Keypad lets homeowners see and control who opens their garage door. Customers can create unique PIN codes for family, friends, and service providers to customize who has access to their garage — and when. Meaningful notifications alert users when someone has been seen entering the garage. Easy to install, the myQ Smart Garage Video Keypad is a must have for any smart home.

83% of U.S. homes have attached garages, which for many is the main entry point to the home.

- Homeowners: 70%
- Friends and family: 35%
- Service providers: 29%

#### PERSONALIZED ACCESS

Create unique PIN codes and schedule access for family, guests and service providers.

#### VISUAL CONFIRMATION

Live stream HD video. Record and store footage for up to 30-days with a myQ Video Storage Plan.

#### MEANINGFUL INSIGHTS

Receive real-time notifications and view history of when your garage has been accessed by your household.

#### EASY INSTALLATION

Wireless setup with a rechargeable battery and integrated Bluetooth® for fast Wi-Fi® provisioning.

# If you're not helping consumers create smarter homes, your customers will shop elsewhere.

Consumers **want** smart home solutions

- **54%** of homeowners believe that smart devices enhance the value of their property
